# Pride In School

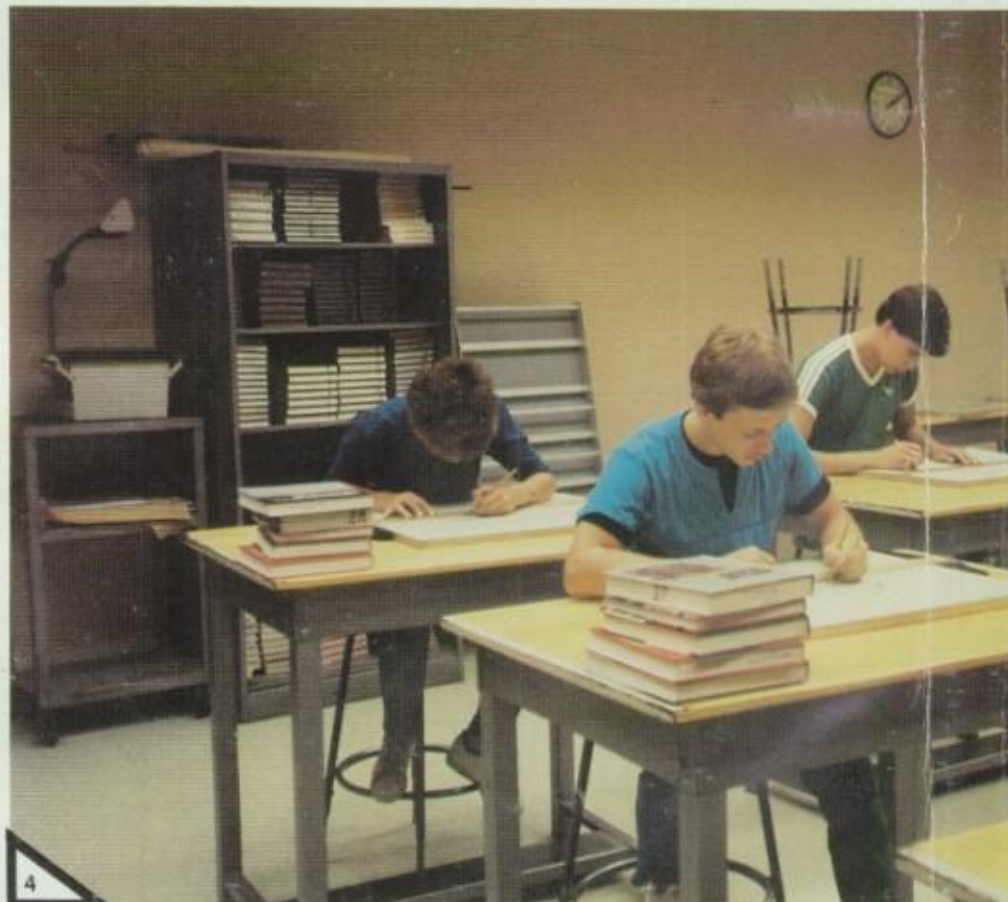

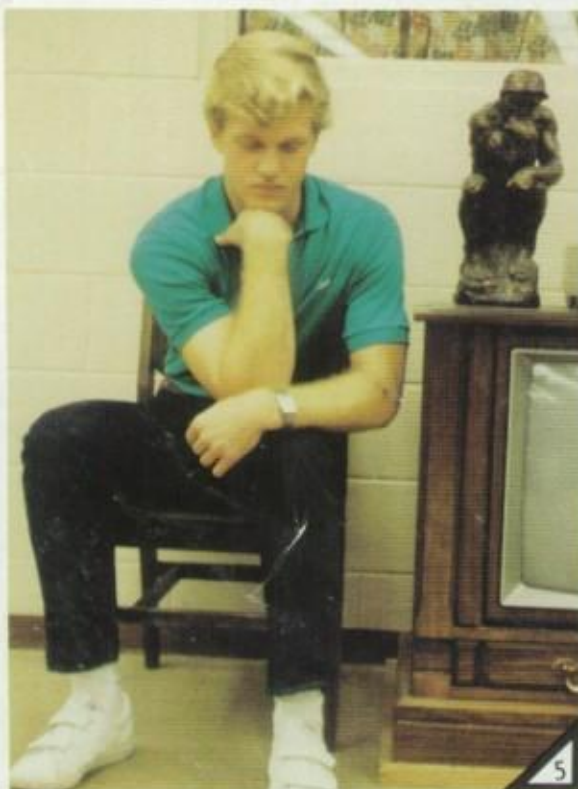

If we succeed in giving the love of learning,  
the learning itself is sure to follow.

1. Wendy says it all.
2. Since 1921 SCHS has been reaching higher and this should always be our goal.

3. Student Council display for Club Fair 9-14-84.
4. The Thinker??
5. Mr. McGaha's Drafting and Design class hard at work.

1. Feeding the bears.
2. End of summer and time for reading, ritin' and er ... What comes next?
3. Bear fever, Bear spirit!

4. Neither rain, snow, or heat waves can stop the SCHS band.
5. Well, that's one section mowed — only 1,765,895 to go.

6. Se habla Español?
7. A typical hard-working aide.

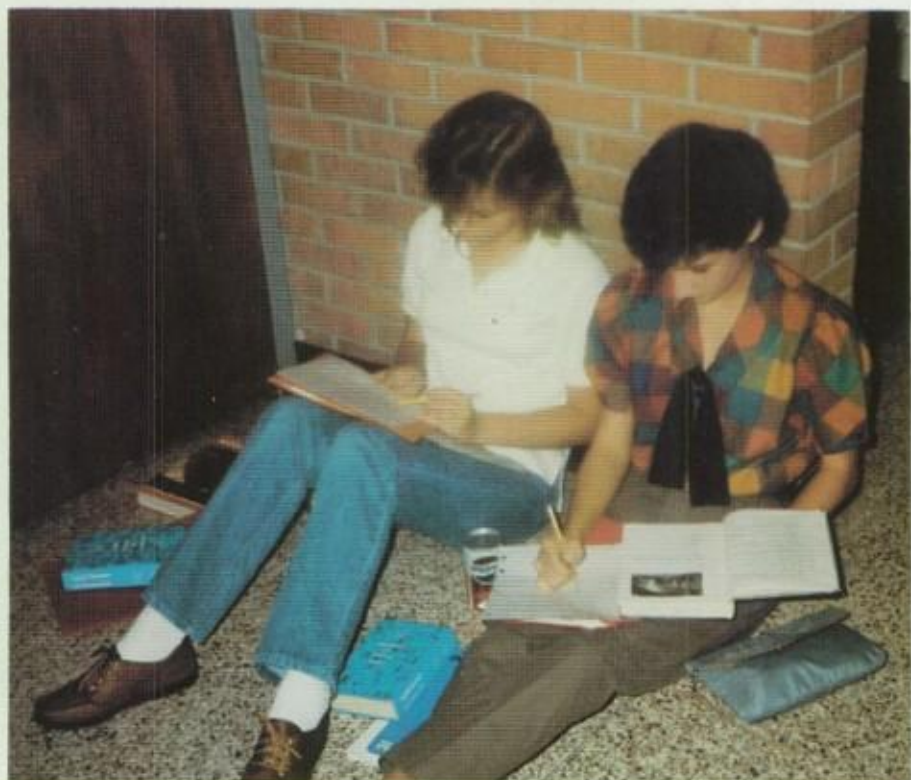

# Pride In Friendship

Living without friends would be like trying to row upstream without oars. It would be like walking on a lonely road at night without a light. It would be like sitting at a table spread with a beautiful linen cloth, set with sterling silver and fine china, but with no food prepared or served. It would be like opening a book with an intriguing title, only to find that the inside pages are blank.

# Pride In Individuality

Far away in the sunshine are my highest aspirations. I may not reach them but I can look up and see their beauty, believe in them and try to follow where they lead.

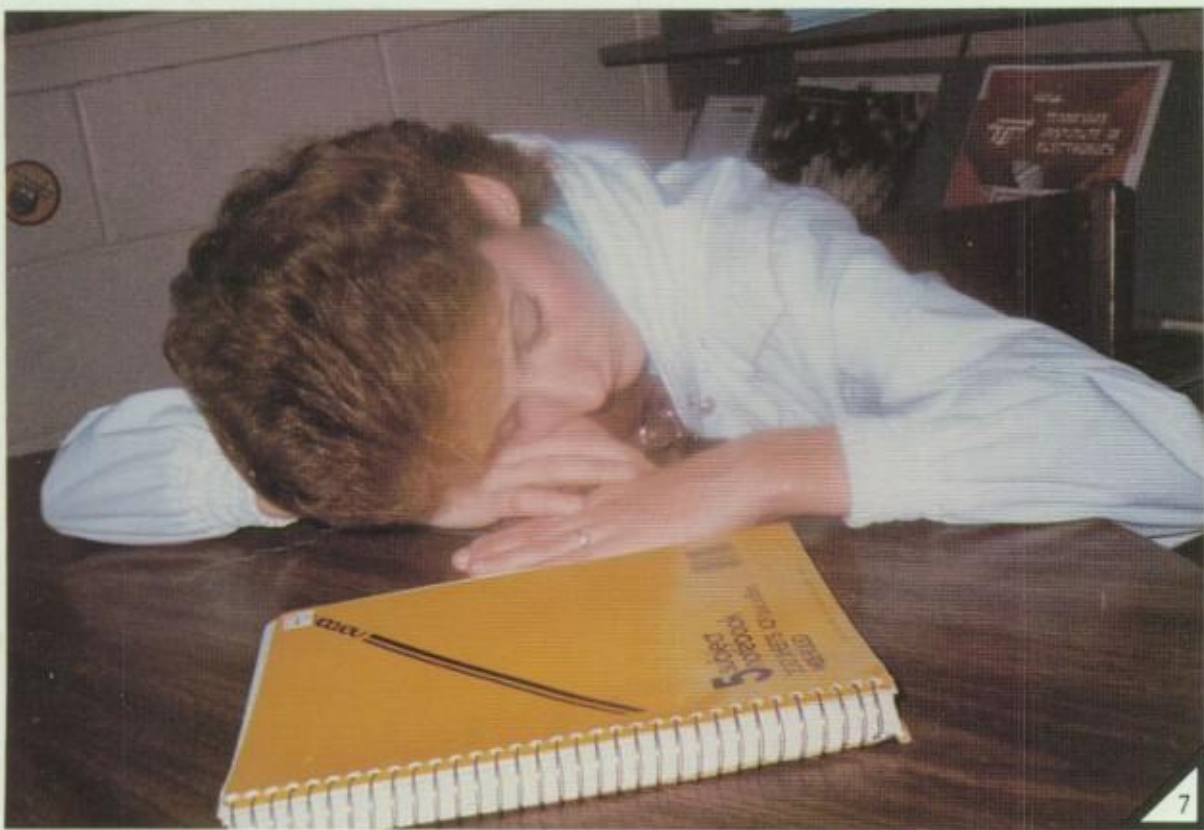

Louisa May Alcott

1. Election in full swing
2. Sorry, Matt, you can't fit in this house.
3. R and R in the library.
4. Summer comes and goes like the tides, but the memories of it last forever.
5. Wood-working is a profitable activity.

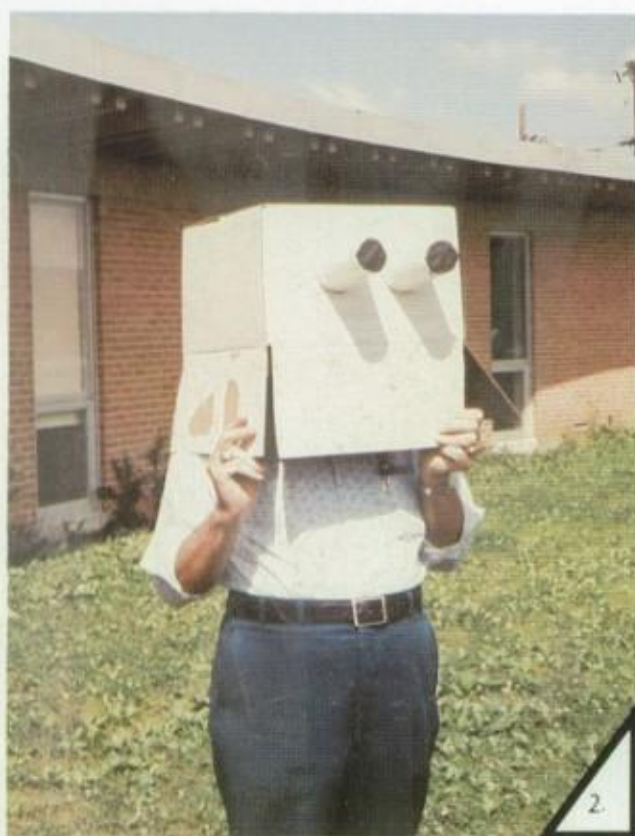

2. Aaron shows his talent through art.
4. Preparing for Enka is a lonesome task.
5. It's lonely being an intellectual.
6. Patty, do you think Snookums will like his gift?
7. School work can sometimes be exhausting!
8. There's no stopping Otis when he's "breaking"

# Pride In Special Events

We should be aware of the happenings around us and proud of our participation in local events. This past year, several notable events took place. The eclipse (1) of May 30, 1984 was spectacular. Teachers (2) and students (3) alike turned out to watch as the sun was hidden by the earth's shadow.

The Great Smoky Mountains National Park celebrated its fiftieth anniversary this year. Several dignitaries were on hand at the official celebration of this event. (4) Governor Lamar Alexander and Governor James Hunt of North Carolina and Interior Secretary William Clark were present to address the crowds at the ceremony. The year-long celebration of the Park's anniversary will conclude in December with Smoky Mountain Holidays month.

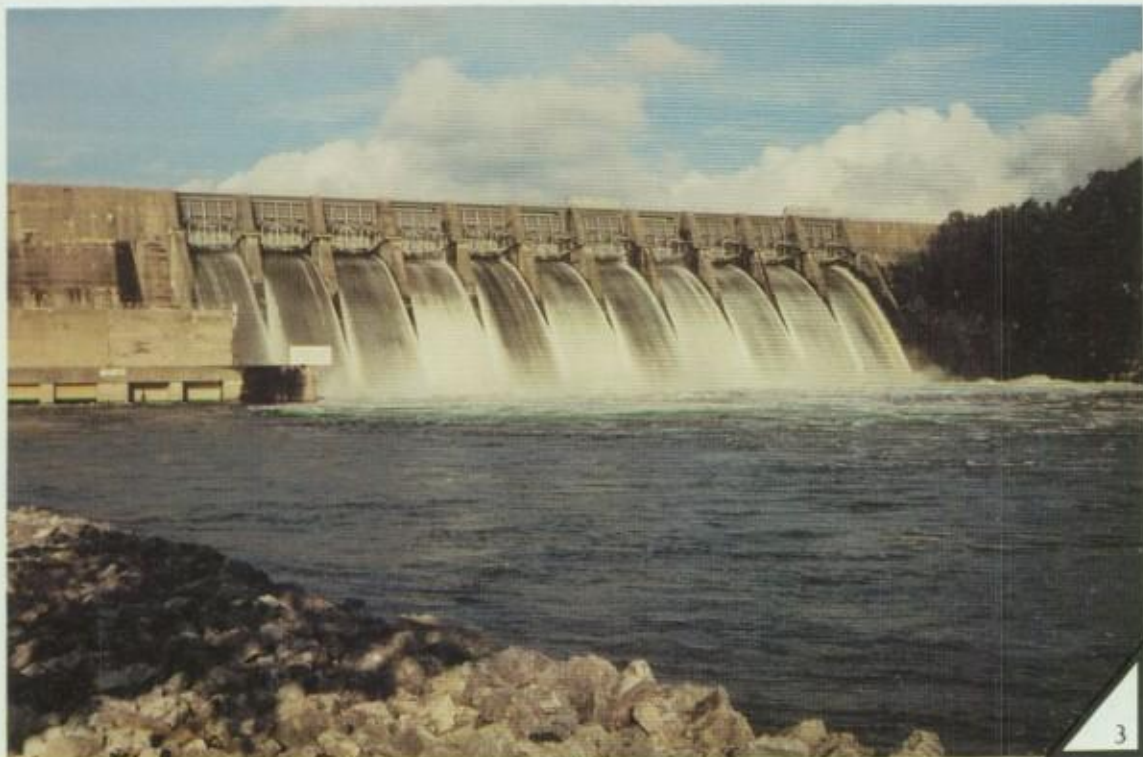

(1 & 2) Although the 1984 Olympics were held in Los Angeles, California, the Olympic torch passed through our area on its way to the games.

Sevierville Mayor Gary Wade pinned an "I love Sevierville" badge on the runner when the torch was exchanged on the River Parkway as Ruby Fox planted a kiss on the torch bearer. The date was May 22, 1984.

(3 & 4) May 6, 7 and 8, 1984 was the date of a record flood on the TVA system of lakes causing the high level of water which spilled over the top of Douglas Dam. This was the first time Douglas' flood gates were opened since its construction. Water spilled over at the rate of 50,000 cubic feet per second. Hundreds of people witnessed this spectacle.

Greg Lusk reached 18 on Nov. 5, 1984 enabling him to vote the next day.

Governor Alexander has declared 1986 as Tennessee Homecoming. All Tennesseans are invited to come home to their home state. Sevierville has been chosen to participate as a pilot community. (6)

# Pride In Heritage

Heritage  
Heritage is ideas, places, events,  
interests, desires.

1. John Sevier the epitome of a patriot, soldier, and statesman
2. The Great Smoky Mountains, one of America's most beautiful parks
3. Though the Sevier County Courthouse is nearly 90 years old, the building remains the focal point of the community.
4. Sevier County the Beautiful.

1. Sevierville has been chosen as one of the pilot communities for the upcoming Homecoming '86 celebration.
2. The Old Mill is one of Sevier County's oldest establishments. It was built in the early 1800's.
3. Spiritual Heritage
4. The Harrisburg Covered bridge.
5. Sevier County is unique in that it is recognized for its beauty, industrial growth, and cultural activities.

# Pride In Accreditation

At S.C.H.S. our theme is EXCELSIOR which means "reaching higher". We know that together we can learn and grow. Is this not the most precious achievement we could attain? During the 1983-84 school year our school underwent an extensive self-study and later the evaluation by a team representing the SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS.

1. Dr. Charles Chance reports that the community, students, and Faculty felt that SCHS met the criteria and recommended us for acceptance.
2. Local education leaders James Wade, T. Mack Sharpe, and Lynn Maples listen attentively.
3. The SCHS Jazz Combo entertained at the Get-Acquainted dinner.
4. and 5. Through tears, laughter, and hard work many Faculty Committees labored on the self-study.
6. Members of the Visiting Committee worked diligently to determine the merits of SCHS.

(1) One of the many Accreditation committee meetings in which ideas and thoughts were discussed.

(2) Mr. Mack T. Sharpe, Mr. Mike Richardson, and Mr. James Wade at the Southern Accreditation Association meeting in Atlanta, Georgia.

(3) The honor was well worth the effort, and we proudly display our achievement.

(4) The Steering Committee consisted of student and community representatives, and the faculty.

Being named a SUPERIOR SEVIERIAN is the most prestigious honor a Senior at Sevier County High can achieve. It is not a commendation awarded by the student body, but by the faculty. The choices for this honor are partially determined on the following qualifications: courtesy, dependability, leadership, scholarship, participation in school activities, and service to Sevier County High.

The faculty also makes its decisions with regard to a student's potential in his or her future vocation and service to mankind as demonstrated by past efforts. In short, SUPERIOR SEVIERIANS, compliments its honorees on their past excellence while encouraging them toward more gratifying achievement in the community, the nation, and the world.

# Coaching Staff

In order to have a football team there must be coaches. Anyone can put a whistle around his neck and call himself a coach; but it takes more than a whistle to coach a football team. Coaching requires sacrifice. Long hours are spent on the practice field running each play several times over hoping to obtain perfection. Coaching does not end on the practice field. Hours are spent in the field house going over game films and drawing out game plans. Most people fail to realize how much a coach puts into his job, and how much pressure lies on his shoulders. The football coaching staff at Sevier County High School should be commended for the time and effort they put forth to make a season possible.

The 1984 season saw the Bears finishing with a disappointing record of 3-7. The season was filled with frustration and disappointment.

At the start of fall practice the Bears were faced with a problem on offense. Starting quarterback Jimmy Maples was injured in an auto accident and would not be able to begin the season. Sophomore quarterback Donny Tweed would have to fill Maples shoes and attempt to lead the Bears to a winning season.

Tweed looked promising as the Bears pounded Mountain Heritage 36-7 in the opening game of the season at Burnsville N.C. The Bears were on the right foot and the season looked bright.

The second game of the season the silver lining turned gray as the Bears were shut out by their district rival Carter.

The third game of the season made the Bears wonder whether or not they could even win another game. They took a 13-0 lead over Knox West but the Rebels came back and won 20-13. The Bears knew it was a game they should have won.

In the fourth game of the season things became more frustrating as the Bears were shut out by William Blount. They had not even scored a touchdown on their home field yet.

For the fifth game of the season the Bears hosted South Young. Their gameplan was "intimidation." In the first quarter Jimmy Maples connected with Aaron Barnhart on a 76 yard pass play. The next play James Smith scored from three yards out. The Bears scored their first touchdown at home! In the second quarter South Young's Dewayne Smith scored on a 98 yard run, and the Trojans decided to go for two. Richie Catlett made the play of the game as he stopped the Trojan quarterback just shy of the goal line. The remainder of the game was a defensive battle, and the Bears captured their victory at home.

The sixth game of the season against Bearden was very special. The Bears dedicated the game to the memory of Stephanie Shular. The Bears were explosive as they scored 31 points, and held the Bulldogs to only three yards rushing. The game would be remembered by everyone.

The seventh game of the season the Bears faced the surprising and undefeated Doyle Pioneers. The Pioneers scored first but, the Bears came right back as James Smith scored on a "Special Right." The Bears played exceptionally well until the fourth quarter when Doyle came back and scored two quick touchdowns. The Bears wanted more than anything to spoil Doyle's undefeated mark and raise their record to 4-3, but it was not to be.

Game number eight was a nightmare as the Bears were soundly defeated by the Farragut Admirals 31-9.

The ninth game of the season was Homecoming against Harriman. In 1983 the Devils scored 22 unanswered points in the fourth quarter to spoil the Bears chance for a .500 season. The Bears were looking for revenge but were unable to get it as the Devils made scoring look easy. The Seniors would have bad memories of their last home game.

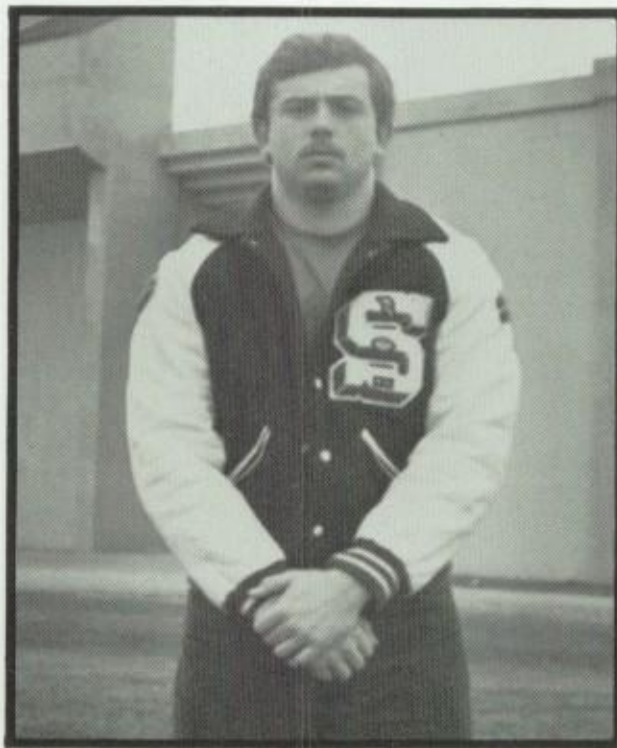

Game number ten was the last chance for the Seniors to wear their purple and white, and for some of them it would be the last game they would ever play. A final victory would be sweet. The Bears fell behind 21-0 at halftime and heads hung as the team regrouped. Coach Hardin reminded them that they were out there to have fun. He told them to forget about the score and have fun while they had the chance. As the final seconds ticked away the Bears found themselves having fun but the 1984 season had come to an end.

# Annual Panic

'Twas the day before deadline  
And all was not right,  
Not a pencil was stirring,  
Not a layout in sight

We editors screamed  
At the top of our lungs  
"Sponsors! Dear Sponsors!  
What else can be done?"

"We can't find the pictures,  
The photographers are gone,  
We're all going crazy  
This just can't go on!"

Late into the night  
We worked (until day),  
Got the annual finished,  
And sent it away.

Although it is similar to other high school organizations in that it operates under the school's regulation and draws its membership from the student body, it is uniquely different from any other. This uniqueness stems from its sponsorship, its aims, and its programs.

Key Club is sponsored by the school and the local Kiwanis Club. The aim of Key Club is to develop initiative, leadership ability, and good citizenship practices. The program of the club consists of services provided for the school and the community.

The guidance aides play a very important part in the guidance program at S.C.H.S. Some of the tasks they perform are to take messages to teachers, give transfer students a tour of the school while "signing them up" in their classes, answer the phone, type, file and organize nonconfidential information, and help students and parents get to the counselor they need to see.

Guidance aides are selected from applicants who have furnished three faculty references. They are oriented to furnish their job in order for them to know the responsibilities that they have to the students, faculty, and community.

# In Loving Memory Of

Stephanie Shular

It started as a feeble vine  
As it thrust itself through the earth.  
An innocent young rose to which the soil gave birth.

It grew taller and taller,  
More wondrous each day.  
But even the beautiful  
Must pass away.

The sky pours rain  
As the angels cry,  
They sometimes don't understand  
That even the Lord needs a few  
"Rosebuds" closeby.

# In Loving Memory Of

Penny Smith

We have all experienced deep sorrow,  
Over the loss of a loved one,  
But remember she is with Him,  
And no more harm shall ever come.

Don't remember how she left us,  
But recall when she was here,  
Our fond memories will live on,  
Those will be held oh so dear;

For we are all part of a plan,  
And often it doesn't seem fair,  
But remember all of the good times,  
In your mind she'll still be there.

Never have so many,  
Been so blessed,  
In such little time.

Todd Hardin/84

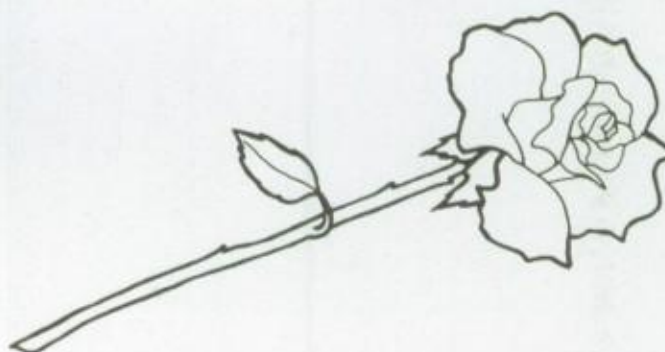

# In Memory Of

## Mary George Lindsey

She was a woman of ready wit,  
And of her we'll not forget.  
Her sweet smile and charming ways  
Helped to pass the dreary days.  
In loving memory we'd like to say  
She's greatly missed each passing day.

Mrs. Lindsey, a dedicated Cafeteria worker, served Sevier County High faithfully from 1966-1984.

## Carl Parton

We are all travellers in the  
wilderness of this world,  
and the best that we find in our  
travels . . .  
is an honest friend.

Mr. Parton served well as our Security Guard from May of 1981 to September of 1984.

Dear Mom and Dad,

I can't believe it! My senior year of high school has come to an end, and soon I'll be wearing my cap and gown to receive my diploma. The doors of high school are closing, but there will be many more doors to open in the future. Those fun-filled days of high school are over, and I will never be able to go back to them, but will always have the fond memories to look back on.

There are so many cherished times to remember from these past four years of high school: coming to a bigger school than junior high, going to a formal dance for the first time, ordering class rings, being in a lot of different school activities, going to the football games, and being so nervous about picking up my date for the Prom.

My years at S.C.H.S. have been a lot of fun and have taught me many lessons, but above all I've learned the value of friendship. It's going to be so hard to say good-bye to my friends as we go our separate ways, but now I have a chance to make new friends and still keep the ones who mean so much to me.

As graduation, my special day, draws near, I look back on my accomplishments and realize how much I've grown up just this past year. A few tears will fall as I reminisce on my treasured memories, but the smile on my face will tell everyone I'm ready to face whatever the future holds and do my best to succeed.

What I'm really trying to say is that if it weren't for all of your support and love, I wouldn't be what I am today. Not only did you play an important part in my life, but you made it complete. I could never give back all that you have given to me, only my everlasting love and devotion. Thank you for being my wonderful parents.

I LOVE YOU!!!

Always--  
Your loving son,

Brad

To The Student Body,

I remember when you first entered my doors into a place where so many dreams, accomplishments, and goals had been realized. You were frightened then, overwhelmed by indecision and unsure about this new venture. You made me proud, though. In your first year you began many lasting friendships, made new goals, and learned to accept your new responsibilities. In your second year I watched you develop as a student and an individual. You gave me honor by respecting me and reaching for the pinnacle of your abilities. During the third year I watched you struggle through those times when it seemed like everyone and everything was making demands of you. You endured as I knew you would. Finally, the last year — Senior year — the most important of all I proudly, yet sadly, watched you lose the ties of childhood and adolescence and become a young adult. That final time when you walked out of my doors, those same doors you first entered not so long ago, I cried. Somehow I know that you did too.

Love,  
Sevier County High
